Japanese Whisky

The style of Japanese whisky comes from the way in which blended whisky is produced, and the differing nature of the industry in Japan. Whisky companies own both the distilleries and the brands of blended whiskies, and do not trade with their competitors. So, a blended whisky in Japan will generally only contain malt whisky from the distilleries owned by that same company.

Flight – 4 x 15ml \$42

TEA \$4.50 per pot

Good Morning [English Breakfast]

From India this hearty flavoured English Breakfast-style Assam blend is strong and golden. It's at its best taken with milk

White Peony

White Peony has light smooth, clean, flavours and a delicate aroma.

Yunnan Green

Yu Yunnan Province is in the south-west China, an area that has been producing tea for over 2,000 years. It has lush grassy flavours.

Sencha

This Japanese-style green tea is purely Australian. It's all organic and is grown in North-Eastern Victoria. Its displays crisp earthy flavours.

Iron Goddess

This partially oxidised oolong from the Fujian province of China displays mild earthy flavours with hits of caramel, wood & orchid.

Peppermint

Poland

Lemongrass & Ginger

Egypt and Nepal
